Mission Update

June 1, 2022

Dear Family and Friends,

I hope that the month of May was a blessed one for you! May was busy for us, in many ways.

We are trying to get Gloria, our blind girl in Thekerani, into a school. It is her dream to learn. So far, we have taken her to two schools for the blind, and so far, nothing promising. Please pray with us that a door will open for her to learn and grow in the ways she desires most.

Navincha has been busy!

He took some of our Bvumbwe youth on a great outreach trip to Goliat, an area also in Thyolo district. Things went very well for them. The people are asking for a church to be planted there for them.

In Thekerani there were overnight prayers. Navincha preached and many people gathered, including almost twenty

people from Mozambique. Our church plant there is getting closer!!!! In all, we had over 100 people in attendance that night! What an amazing blessing.

Yesterday I was truly blessed to read an article in the Voice of the Martyrs magazine. Martyrs Day is June 29. They had an amazing article on an amazing young man named John Chau. I really encourage you, that if you find time, to research him and learn more about his heart of service. How many of us go the extra mile for Christ, let alone truly love each day as if the Gospel is all that matters? Maybe we need a bit of a reality check. Pray and ask God today to help you keep priorities straight and to reveal more opportunities for

Church members cooking for their Mozambique guests

evangelism. There are so many people around us that need to hope of Jesus Christ!!
I'm praying right now!

In Christ,
Leslie
