## Mission Update

### December 1, 2022

Greetings Everyone,

I cannot believe it is December already! Time really does fly!!! What a reminder to be wise with it and truly live to redeem it.

Not only that, but we hope you all have had a wonderful month of gratitude. We have so much to be thankful for! First, we are so grateful to be children of the Most High God. Not one of us deserves to be used by Him, yet He gives us the opportunity to bring glory to His holy Name, and to do His blessed work. Wow!! Second, we are always thankful to be in your thoughts and prayers!

One of our leaders from Thekerani met Navitcha for five days of outreach in a place called Sandama. Following that,

Navitcha went for a week into Nsanje, a new district for our ministry, to a village area called Fatima for more outreach. People in both places were

*Part of the outreach journey.*

very receptive and appreciative to hear the truth of the Gospel. It is always a blessing to simply see the healing and freedom the Truth of Christ, repentance, and grace bring. Please pray for relationships and bonds to grow, and for good communication, wisdom, and God's perfect timing as we prepare to plant churches in both Sandama and Fatima.

*More pictures from the outreach trip.*

All of the church and ministry branches are doing well and growing. We are always so thankful for this. Please pray for all the members as hurricanes are coming and they are already hungry. May they find the strength and joy they need for daily life in the Lord, and be found faithful!!

We were able to find a builder and have been working on Mack's house (see pictures at the end of this update). It is at roof level!!! We praise God for every aspect of this project..... for miraculous provision, for a responsible head youth boy, for guidance and wisdom, for great timing, and for the power of God's love!

It truly is amazing being a vessel in the hands of a gracious and mighty Potter. Like a Thanksgiving meal, a lot of the value of the dishes is found in what

amazing food is in them! A dish is somehow no longer beautiful if the food inside is sour or moldy. Be filled with the love and joy of the Lord. Be generous and compassionate. Be a part of healing and freedom! There is no other way!

**What a great God we serve!**

In Christ.
